Career Transition Model

Designing Your Desired Future

- What matters to you?
- What is your relationship to work?
- What are your strengths?
- Designing potential paths
- Set-up for data gathering

Telling the Story

- Resume / LinkedIn
- Your pitch
- 2-Pager
- Remaining curious
- Listening

Networking & Data Gathering

- Networking strategies
- Soliciting feedback on your approach
- Researching people and companies along your potential paths

Alignment

- Candidate Market Fit tests
- Applying for jobs & interviewing
- Reality checks and pivots

Landing the Job

- Salary and terms
- Role, expectations and KPIs
- Set-up for success

Showing up on Day #1

- Who do you want to be on day 1?
- Old patterns to discard
- Your 90-day plan

Wrap-up

1   2   3   4   5   6   7

Building Foundation & Getting Ready to Go
